- Adept critical thinking and problem-solving skills
- Experience in GAAP accounting
- Proficient in both general and accounting related computer software with preferred experience in ProSystems, Engagement, Quickbooks and Microsoft Office

Company Overview:

We're not your average accounting firm. At J.A. Solari & Partners we are known for our strategic thinking, personalized process, and unique approach from the typical accounting firm. We deliver real and tangible results to a range of clients not just local but nationally. Of course, we handle the obvious, like accounting and assisting clients with their taxes. However, we offer so much more, such as, business consulting and strategic planning. If you have a desire to build client relationships and act as a business partner to our clients then look no further!

We offer a competitive compensation and benefits package including health, dental and vision insurance; paid time off, holiday and 401k.
